Angeles scouts growth, VC for PE buildout

- \$6.2bn OCIO bullish on PE for E&F clients
- Tickets in \$10m-\$20m range
- Likes North American healthcare, software strats

This article relates to:

Angeles Investments is actively looking to deploy up to \$300m in private equity, split between external funds and co-investments.

The \$6.2bn OCIO sees opportunities in growth equity and early and late-stage venture capital, CIO Michael Rosen told With Intelligence.
